

How to renew or join the Club

You can go straight to the new [Club Membership](#) page.

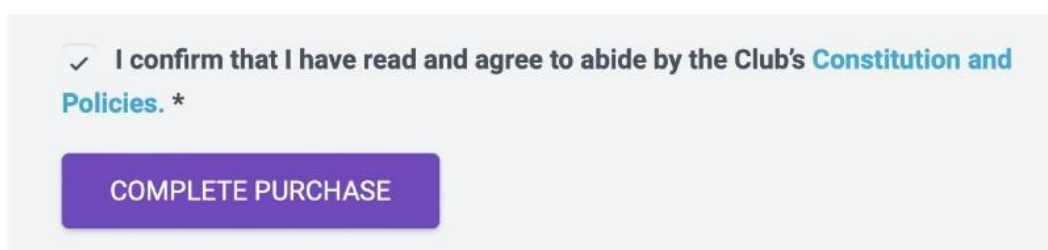

Alternatively, you will find a prominent purple button on the [Home Page](#) of the website, and on the relevant section of the [About Us](#) page, with the words 'RENEW OR JOIN THE CLUB'. If you click on that button, it will take you to the 'Club Membership' page.

Once you are on the 'Club Membership' page, you can select the type of membership you require and add it to your 'basket' (basket icon at the right-hand end of the top bar). You will be taken to your basket where you can review your 'order'. If you are happy, you can 'Proceed to Checkout', where you will be asked to complete your billing details.

In the case of 'Joint Membership', you can, at the moment, only enter details for one of the members. We can add the name and email address of the partner member in due course. Please don't try and sign up twice.

You will be asked to provide a password. Using your email address and this password you'll be able to login easily via 'My Account' (which you'll find on the top bar of the website, next to the basket icon) and see your subscription, where you have the option to disable auto-renew, change your payment method and cancel if necessary. Don't worry, we'll give you good warning when any renewals are due, this system just helps with the overall automation of payments.

Before you can 'complete your purchase', you are required to check the tick box at the LH side to say that you have read (using the link provided) and agree to abide by the Club's Constitution and Policies, just as you used to do on the old form. Please note that the tick box is very faint, see screenshot of checked box below:

You will receive an email confirming that your order is being 'processed'. Payments take a few days to clear but we will have a record that your payment has been made and you'll be a fully signed up member, which is great – thank you!
